turn it up

i wanna hear that sound til my windows break yea  
turn it up  
let it play  
i wanna hear that sound til my windows break yea

let me hear you say turn it up (turn it up\_  
i need to hear that thing when i'm rollong up  
that system ain't just cold enough  
and then them niggas sweet fizz ain't holdin' up  
i need to hear that knock like hello  
i am ready for the summer like a gemini (get it!)  
poobah the name is yah your boy did it  
when you see that fire i lit it  
i make that party rock (perty rock!)  
at the very minimum i make 30 rock  
got a time like tina phasin' the party  
let the bass control your body  
and let me control what you're thinking  
you know it's good for you, put down your drinking  
get up, stand up, hands up  
it's time to rock so get to it

turn it up  
let it play  
i wanna hear that sound til my windows break yea  
turn it up  
let it play  
i wanna hear that sound til my windows break yea

turn it up  
just just turn it up (oh woh)  
turn it up  
make the speakers bust  
turn it up  
let it play

i wanna hear that sound til my windows break yea

that boom is breaking the concrete

wake your ass up out the on sweep  
so out to the middle of wall street and blast  
that shit til they call the police  
(turn it up) til it feel like an earthquake  
believe me, i just wanna see haers shake  
she shake like nicky minaj  
and so is every other chick in her entourage  
i'm in the middle of dubai but this ain't a mirage  
it's amazing nowdays feel like a massage  
and that's why them girls are in front to speak up  
turn it up, see the knees get weaker  
killioo, stereo, no ether  
turn it up, land into ibiza  
dj git this on t  
i wanna speak cuz go, i wanna do it again

turn it up  
let it play  
i wanna hear that sound til my windows break yea  
turn it up  
let it play  
i wanna hear that sound til my windows break yea

turn it up  
just just turn it up (oh woh)  
turn it up  
make the speakers bust  
turn it up  
let it play  
just turn it up (oh woh)  
i wanna hear that sound til my windows break yea

i wanna see you turn this up  
i don't care where you come from  
decibles out of here  
i f you don't got the current you'd better get some  
cuz we gonna celebrate every time my window break  
from that sub frequency  
let it go, let it out, let it play  
get wild like you ain't got no decency  
you never rocked like this recently  
that's cuz we easily
