I Love you so and I'm never gonna let you go
Holdin On to your Hand though sometimes I don't
understand
Tears I cry night and day, but I'm gonna trust you
anyway
Because you love me and I love you too
Been in church all my life
Sometimes all I find is strife
Thought I'd have friends to the end
But sometimes alone is all I've been
Tears I cried night and day
But God has always made a way
Because he loves and I love him too

Left my home family and job
And my life was so very hard
Tried my best to stand the test
Then God came and gave me rest

Tears I cried night and day
But God has always made a way
Because he loves and I love him too

I lost my job after fourteen years
It left me living in fear
I didn't know how to pay my bills
But in His Word he said stand still
Tears I cried night and day
But God has always made a way
Because he loves and I love him too
