First verse

I woke up one morning with a grateful heart
I thank the lord for a brand new start
He did not have to let me live to see a new day
He's always showing his amazing grace
He don't deserve a some tiny praise
Cause everytime I call on him he saves my day
So lift up your voice and send up a praise
He deserve a consistent crazy praise

Second Verse

We made so many mistake in our life
It was some crazy battles we could not fight
The devil thought he had us but we got away
Tell god what he deserves because we know he saved
the day
He don't deserve a some tiny praise
He looked past our crazy (crazy)
He looked past our crazy (thoughts)
He looked past my crazy (mistakes)
So send up a praise
He deserves a consistent crazy praise
