Come fame or fortune or the battle portion
Lord you are the source of everything I have.
Mercy given: grace extended
A second chance at life that I never had.
People love me from what you gave me
Wonderfully and fearfully you made me
Marvelous are thou works in us
Thank you for the substance you've instilled in me.

If i could write a letter no one could word it better
than words from my heart using ink of love,
If i could direct a movie I would tell the story
if the favor that you've given to me.

Lord you've been good, good, good.
Lord you've been good, good, good.
Lord you've been better to me than anyone else
Better than i could be to myself
Lord you've been good, good, good.

From the planes I fly, to the tears I cry
Lord you are my peace from a hill on high.
Joy and sorrow, hope for tomorrow.
Lord continue to lead and I will follow.
The things you've done you did not have to do.
Like making my enemies a footstool.
come rain or shine, you're on my mind.
And for being there all the time ..

Chorus

Oh taste and see..

oh taste and see that the Lord is good.
oh blessed is the man that thrusteth in Him and fears
the Lord
and wants no more.
God I promise to keep my tongue from speaking
negativity.
And seek peace all of my days.
And keep from evil ways that i might not stray from you
GOOD

GOOD .. Good .. Good .. Good .. Good .. repeat 4X
