My heart beats out of time  
With the constant pounding in my head  
Fear, heartless fear  
It pulls me away from my dying dreams of  
Love, evil love  
A constant craving to be heard  
Time, wretched time  
Has stolen away the only things I've ever held dear

I've never known love  
And I've wanted you all this time

Every time I try  
I'm diving hard towards the ground  
Do I think I can fly?  
My heart has spun upside down

Love, crooked love  
Drives a stake into the soul  
Pain, precious pain  
It's caused by that we are the closest to

And I don't need your sympathy  
Find my way  
And all I've ever struggled for  
Is love, crooked love

I've never known love  
And I've wanted you all this time

And I've never known love  
To be anything but a lie  
I've hated you all my life
