I am the God of emptiness
I am the God of pain
I am the God of agony
God of the insane

Will you look into my soul
And tell me what you find?
Tell me this emptiness
Is just a state of mind

I am the keeper of fear
I am the keeper of fate
I am the keeper of nothing
The keeper of all hate

Will you hide me away
And help my wounds to heal?
Wrap your arms around me
And teach me how to feel

I don't want your forgiveness
I don't want your blame
I don't want forever
I don't want to be the same

I wish I knew what it was that you were searching for
this time
I think I know what it is that you've been missing all this
time

Tell me I brought it on myself
All of this decay
Tell me God will always love me
And could wash it all away
Tell me that you know how I feel
And it makes you love me more
Tell me that you understand me
And you've seen it all before

I don't want your forgiveness
I don't want your blame

I don't want forever
I don't want to be the same

I wish I knew what it was that you were searching for
this time
I think I know what it is that you've been missing all this
time
