Something about that Holy Ghost it'll make you wanna
shout
Shout that burden out
Something about that Holy Ghost it'll a make you
wanna move
Move for you breakthrough

It leads and guides me
It walks beside me
It holds me too
If you know what I mean say

Ooh, ooh so good
Ooh, ooh so good
Hallelujah, ooh so good
Ooh, ooh so good

Something about that Holy Ghost it'll make you pray
and pray all day
Pray my fears away
God, something about that Holy Ghost it makes me
wanna talk to you
Talk for a closer walk

It soothes my pain
It dries my rain
Protects me too
If you know what I mean say

Ooh, ooh so good
Ooh, ooh so good
Hallelujah, ooh so good
Ooh, ooh so good

Something about that Holy Ghost it'll make you wanna
sing
Lift up your voice and let it ring
Something about that Holy Ghost it'll make you do the
right thing
Say hooray to the enemy

It leads and guides me

It walks beside me
It holds me too
If you know what I mean say

Ooh, ooh so good
Ooh, ooh so good
Hallelujah, ooh so good
Ooh

When the mountains are in front of you
Remember that God will take good care of you
When the world said you wouldn't make it make it make
it through
Remember the day when He delivered you

He's given me
Security
And a fresh anointing
Nobody but you

Ooh, ooh so good
So good, ooh
Hallelujah, ooh so good
So good
Hallelujah

Ooh, ooh so good
So good, ooh
Hallelujah, ooh so good
So good
Hallelujah

It soothes my pain
It dries my rain
Protects me too

Ooh
Ooh
Ooh, ooh so good

You've been my mother, my father
My sister, my brother
My friend until the end
My doctor and my lawyer

My emotion, my devotion
Dedication, motivation
My strength, my power
My mind, you're so kind

Provider, co-signer

My breakthrough, my faith too
My up, my down
My shield, my crown

This Holy Ghost I have the world
Can't take it
Can't take it
Can't take it
