

All I need is him to  
Be my loverboy

Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you  
Rock me all night long

Loverboy come on  
And take me  
Only you know  
How to make me  
Shudder with anticipation  
All night long

I got myself a lover  
And he's so sublime  
He's quite a bit of heaven  
When he comes inside  
So come on sugar daddy  
Take me for a ride  
Whatever way we're going next  
I expect to leave on time

I get weak  
And his candy's just so sweet  
When he caressed my whole body  
All I need is him to  
Be my loverboy

Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you  
Rock me all night long

Loverboy come on and take me  
Only you know  
How to make me  
Shudder with anticipation  
All night long

This stuff is starting now  
This stuff is starting now  
It's the same feeling  
I always seem to  
Get around you

'Cause you affect me  
Fascinate me  
I thank heaven for  
The things that you do  
This stuff is starting now  
This stuff is starting now  
This stuff is starting now

My thoughts flow in my head  
I toss and turn in my bed  
In the morning when  
I think about you

Simply put,  
You're the reason why  
Even though I'm real shy  
It's like candy  
I attempt to look  
My best for you

Loverboy  
Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you  
Rock me all night long

Loverboy come on and take me  
Only you know  
How to make me  
Shudder with anticipation  
All night long

Loverboy come on  
And take me

Only you know  
How to make me

Shudder with anticipation

All night long

Oh loverboy  
Loverboy  
Come on and love me  
Give me more  
Touch me and touch me  
I enjoy the way you  
Rock me all night long

Loverboy come on  
And take me  
Only you know  
How to make me  
Shudder with anticipation  
All night long
