Some people do it for compassion
Some people do it for the fashion
Some people do it to be funny
Some people do it for the money
Some people do it for enslavement
Some people do it on the pavement
But. . .

We're gonna do it anyhow anyhow
We're gonna do it anyhow anyhow
We're gonna do it
No matter how the wind is blowing
We're gonna do it anyhow anyhow
We're gonna do it anyhow anyhow
We're gonna do it
We just gotta keep going

Some people do it for
each other
Some people do it for their lover
Some people do it for improvement
Some people do it for the movement
Some people do it for enjoyment
Some people do it for employment
But. . .

We're gonna do it anyhow anyhow
We're gonna do it anyhow anyhow
We're gonna do it
No matter how the wind is blowing
We're gonna do it anyhow anyhow
We're gonna do it anyhow anyhow
We're gonna do it
We just gotta keep going
We just gotta keep going
We just gotta keep going
We just gotta keep going
