"Four Walls"

These four walls, I'm destined to stay
They say I'm guilty and the guilty must pay
But all I'm askin' is to have a my say
Do you think I'll ever get out?

Will I ever get out of here?
Will I ever push down my fear?
Will I ever see through my tears?
Will I ever get out of here tonight?

The sands of time them fallin' right through my hand
Can't make no sense and I can't make no plans
All I'm askin' is to lend me your hand
Come on and help me get out

Will I ever get out of here?
Will I ever push down my fear?
Will I ever see through my tears?
Will I ever get out of here tonight?

Will I ever get out of here?
Will I ever push down my fear?
Will I ever see through my tears?
Will I ever get out of here tonight?

So at last I'm feeling the pain
(Time to get out, time to get out)
Can't take the weight and I can't take the strain
(Time to get out, time to get out)
I see no future and I can't see no gain
(Time to get out, time to get out)
It's like we never get out
(Time to get out, time to get out)

Will I ever get out of here?
(Time to get out, time to get out)
Will I ever push down my fear?
(Time to get out, time to get out)
Will I ever see through my tears?
(Time to get out, time to get out)
Will I ever get out of here tonight?

Well, I guess I'll never know?
I guess I'll never know, I guess I'll never know
Free, am I free to go? Am I free, am I free to go?

Well, I guess I'll never know
I guess I'll never know, I guess I'll never know
Free, am I free to go? Am I free, am I free to go?
I don't know
