Get up, get up  
Get up, get up

Here comes my guiding star  
To take me home  
I've traveled lands afar  
We blindly roam

We spread our wings  
In search of truth and all it brings  
We got a glimpse of a forgotten dream  
And we want it to pass to you

Get up, get up  
Get up, get up

Two thousand years apart  
And still remain  
You carve into my heart  
A sacred name

We spread our wings  
In search of truth and all it brings  
We got a glimpse of a forgotten dream  
And we want it to pass to you

Get up, get up  
Get up, get up

A glimpse of a forgotten dream

Here comes my guiding star  
To take me home  
I've traveled lands afar  
We blindly roam

We spread our wings  
In search of truth and all it brings  
We got a glimpse of a forgotten dream  
And we want it to pass to you

Get up, get up

Get up, get up
