"I Say A Little Prayer"

From the moment I wake up
Before I put on my makeup
I say a little prayer for you

While combing my hair now
And wondering what dress to wear now
I say a little prayer for you

Forever and ever, you'll stay in my heart and I will love
you
Forever and ever, we never will part, oh how I love you
Together, forever, that's how it must be
To live without you would only mean heartbreak for me

I run for the bus, dear
While riding I think of us dear
I say a little prayer for you

At work I just take time
And all through my coffee break time
I say a little prayer for you

Forever and ever, you'll stay in my heart and I will love
you
Forever and ever, we never will part, oh how I love you
Together, forever, that's how it must be
To live without you would only mean heartbreak for me

I say a little prayer for you
I say a little prayer for you

My darling, believe me
For me there is no one but you
Please love me too, I'm in love with you
Then answer my prayer, babe
Say you love me too

Forever and ever, you'll stay in my heart and I will love
you
Forever and ever, we never will part, oh how I love you
Together, forever, that's how it must be
To live without you would only mean heartbreak for me
