There's just the two of me

Alone at last together

We've got the luck so far

We are my lucky star

Deep in the heart of me

I love every part of me

All I can see in me

Is the danger and ecstasy

One thing there couldn't be

Is any more me in me

This is the me of me

Me me me!

Me me

Me me me

Me me me

I am my destiny.

Je croirai toujours en moi. Ha ha ha

I'd never lie to me.

I'd be willing to die for moi.

I'll pray every day to me.

And here's what I'd says to me

This is the me of me

Me me me!

Me me

Me me me

Me me me

Me me me

Ohh me me

Me me me

Ohhhh me me

Look at me Moi Moi
