### "Rhythm Of The Rain"

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again  
The only girl I care about has gone away  
Looking for a brand new start  
But little does she know that when she left that day  
Along with her she took my heart  
Rain, please tell me, now, does that seem fair  
For her to steal my heart away when she don't care?  
I can't love another when my heart's somewhere far  
away  
The only girl I care about has gone away  
Looking for a brand new start  
But little does she know that when she left that day  
Along with her she took my heart  
Rain, won't you tell her that I love her so?  
Please, ask the sun to set her heart aglow  
Rain in her heart and let the love we knew start to grow  
Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again  
Oh, listen to the falling rain  
Pitter-patter, pitter-patter  
Oh, listen, listen to the falling rain  
Pitter-patter, pitter-patter
