I get along with mine, along with mine
I get along with mine, along with mine
Chorus:
Looking for peace of mind, looking for peace of mind
But I'm soul tied, yes I'm soul tied
We're all soul tied, yes I'm soul tied
(Musical Interlude)
I walk a lonely mile, a crooked mile
I wear a crooked smile, a lonely smile
Chorus:
Looking for peace of mind, looking for peace of mind
But I'm soul tied, yes I'm soul tied
We're all soul tied, we're all soul tied
(Musical Interlude)
(Guitar Solo)
I live within a mire, upon a mire
I went along with mine, spending my time
Chorus:
Just looking for peace of mind, looking for peace of
mind
But we're soul tied, we're all soul tied
Yes I'm soul tied, we're all soul tied
Soul tied, soul tied, we're all soul tied, we're all soul
tied
