### "Time Bomb"

In my life, I have struggled to understand.  
What it's like to be able to be a man.  
In this world that don't give a damn.  
Time ticks like a bomb.  
One moment your here and the next day your gone.  
Or maybe I'm wrong. Each day I find everything I do is  
just a  
waste of time.  
Time.

In my life, I've been puzzled with what makes sense.  
Time goes by, and I'm unable to comprehend.  
What it this that this world demands.  
Time ticks like a bomb.  
One moment your here and the next day your gone.  
Or maybe I'm wrong. Each day I find everything I do  
is just a waste of time.  
Time.

Lessons I've learnt. Could never prepare me for.  
How a young boy's heart yearns.  
Time ticks like a bomb.  
One moment your here and the next day your gone.  
Or maybe I'm wrong. Each day I find everything I do  
is just a waste of time.  
Time.

My life, it ticks like a bomb  
My life, it ticks like a bomb  
My life, it ticks like a bomb  
My life, it ticks like a, ticks like a, ticks like a, time  
bomb.  
Time bomb.  
Time bomb.  
Time bomb.  
Time bomb.  
Time bomb.
