1, 2 ready, go!!
Grow some big feet, holes in history
Is where you'll find me, is where you'll find
All is Love, is love, is love, is love

L.O.V.E, it's a mystery
Where you'll find me, where you'll find
All is Love, is love, is love, is love

Ooh ooh ooh ooh All is Love

1, 2 ready, go!!
L.O.V.E, it's a mystery
Where you'll find me, where you'll find
All is Love, is love, is love, is lo
Ooh ooh ooh ooh
L.O.V.E, it's a mystery
Where you'll find me, where you'll find
All is Love, is love, is love, is love
