Heads up
Heads up
Heads up

You hold me up
You hold me down
And up and down
And up and
Up and down

Heads up
Heads up
Heads up

You hold me glad you told me now
And then
Every now and then
Every then and now

Not talking 'bout a holiday
Pretend my feet are running away
Well if my feet don't touch the ground
Well hot sick fat lip
Fall before I get out of it

Heads up
Heads up
Heads up

You hold me up
You hold me down
And up and down
And up and
Up and down

Heads up
Heads up
Heads up

You hold me glad you told me now
And then
Every now and then

Every then and now

Every then and now...
