In my dreams, you are alive and well
Precious child, precious child
In my mind, I see you clear as a bell
Precious child, precious child
In my soul, there is a hole
That can never be filled
But in my heart, there is hope
'Cause you are with me still

In my heart, you live on
Always there never gone
Precious child, you left too soon
Tho' it may be true that we're apart
You will live forever... in my heart

In my plans, I was the first to leave
Precious child, precious child
But in this world, I was left here to grieve
Precious child, my precious child

In my soul, there is a hole

That can never be filled
But in my heart there is hope
And you are with me still

In my heart you live on
Always there, never gone
Precious child, you left too soon,
Tho' it may be true that we're apart
You will live forever... in my heart

God knows I want to hold you,
See you, touch you
And maybe there's a heaven
And someday I will again
Please know you are not forgotten until then

In my heart you live on
Always there never gone
Precious child, you left too soon
Tho' it may be true that we're apart

You will live forever... in my heart
