Early in the morning I put breakfast at your table
And make sure that your coffee has its sugar and
cream
Your eggs are over easy, your toast done lightly
All that's missing, is your morning kiss, that use to
greet me

Now you say the juice is sour, it used to be so sweet
And I can't help but to wonder if you're talking 'bout me
We don't talk the way we used to talk, it's hurting so
deep
I've got my pride, I will not cry but it's making me weak

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me

Ooh, baby, I fought my way through the rush hour
Trying to make it home just for you
I want to make sure that your dinner will be waiting for
you
But when you get there you just tell me you're not
hungry at all
You said you'd rather read the paper and you don't
want to talk

You'd like to think I'm just crazy when I say that you've
changed
I'm convinced I know the problem, you don't love me
the same
You're just going through the motions and you're not
being fair
I've got my pride, I will not cry, still I can't help but care

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me

Ooh baby, look into the corners of your mind
I'll always be there for you through good and bad times
But I can't be that superwoman that you want me to be
I'll give my love, oh lasting love if you'll return love to me

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me

Ah ha, if you feel it in your heart
And you understand me
Stop right where you are
Everybody sing along with me!
Ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh

I'm the kind of girl that can treat you so sweet
But you've got to realize
That you've got to be sweeter to me, yeah
I need love, I need just your love

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me

I'm not your superwoman
I'm not the kind of girl that you can let down
And think that everything's okay, boy, I am only human
This girl needs more than occasional hugs
As a token of love from you to me
