Le le le le le!

Shana phazi! Shana phazi ofethe!

Ha! I was standing on the corner of the road the other day

This white bitch she comes up to me

In my lunch break, at the Chicken Licken

Hawo man, I'm busy!

I've got to take my girlfriend back to Soweto this evening

And my wife is waiting for me in Hillbrow

Hawo, you know what she says to me that one!

Move over

Use your indicator

The brake is next to your accelerator.

Ha! Ja life is hard, you know. I don't have much time.

Essh, my name is Zoid and Simunye Grooves

They think because they present "Days of our Lives" and "The Bold" nã?

Hawo, but what can you expect from a country that!

That thinks the celebrities are the continuity people, huh?

Hey man, it's too funny!

Move over

Use your indicator

The brake is next to your accelerator

Hey cheater

Make way for my four-seater

Break it down!

Hawo man, female drivers is not funny.

You check, me I'm actually an artist

And now I'm doing this for the part time of the money

But Hawo man, I don't know when she says that thing

Move over  
Use your indicator  
The brake is next to your accelerator  
Hey cheater  
Make way for my four-seater  
Hey cheater  
Can read the parking meter?

Yo na yo!  
Break it down!  
Come on!
