Jesus, lover of my soul  
All consuming fire is in Your gaze  
Jesus, I want You to know  
that I will follow You all of my days  
No one else in history is like You  
And history itself belongs to You  
Oh Alpha and Omega you have loved me  
And I will spend Eternity with You

It's all about You Jesus  
and all this is for You  
For your Glory and Your fame  
It's not about me as if You should do things my way  
You alone are God and I surrender  
You alone are God  
You alone are God and I surrender  
You alone You alone  
You alone are God and I surrender  
to Your ways
