Oh the wonder of Your name  
Death to life You rose again  
By Your love we are remade  
We sing Jesus, Jesus

Chorus:

We will stand in awe,  
You are Lord of all  
Oh the wonder of Your name  
We are saved from sin,  
Brought to life again,  
Oh the wonder of Your name  
Oh the wonder of Your name

See the broken heart renewed  
See the nations find the truth (Find Your truth)  
Hear our anthem rise to You  
We sing Jesus, Jesus

(Chorus)

Worthy, worthy, worthy is Your name  
Holy, holy, holy is Your name

(Chorus)
