You never change, You are the God You say You are
When I'm afraid You calm and still my beating heart
You stay the same, when hope is just a distant thought
You take my pain
And You lead me to the cross

What love is this, that You gave Your life for me
And made a way for me to know You
And I confess You're always enough for me
You're all I need

I look to You
I see the scars upon Your hands
And hold the truth
That when I can't You always can
I'm standing here beneath the shadow of the cross, I'm
overwhelmed that I
Keep finding open arms

What love is this that You gave Your life for me and
made a way for me to
Know You
And I confess, You're always enough for me
You're all I need

Jesus in Your suffering, You were reaching; You
thought of me
Jesus in Your suffering, You were reaching; You
thought of me

What love is this, that You gave Your life for me
And made a way for me to know You
And I confess, You're always enough for me
You're all I need

What love is this, that You gave Your life for me
And made a way for me to know You
And I confess, You're always enough for me
Always enough for me
Always enough for me
