Not another lonely night
Not another restless time
What happened to the days
When we used to care?

It used to hurt, I used to break
The silence almost made me crazy
It didn't matter then
Why should it matter now?

Chorus:
How long can we try
Can we keep holding on
We're too scared to give up
But we've been here so long

Are we fooling ourselves
Have we fallen awake?
Is it too late?

I can't remember
Why we're here
I can't remember
When you last touched me
I hate the way this feels
But I don't know how to change

Chorus:
But how long can we try
Can we keep holding on
We're too scared to give up
But we've been here so long

Are we fooling ourselves
Have we fallen awake?
Is it too late?

'Cause I don't wanna go
But I don't wanna live
Like this hoping someday
You'll wake up

Something's gotta change
Someone's gotta give
Cause I can't keep waiting
here wondering what
went missing?

Cause I just wanna know...

Chorus:
How long can we try
Can we keep holding on
We're too scared to give up
But we've been here so long

Are we fooling ourselves
Have we fallen awake?
Is it too late?
