All i see is the beauty that you gave to me.  
All i want is to let go of the past and move on.  
I close my eyes and im haunted by the memories.  
I don't understand why you're gone.

Love doesn't listen to reason,  
And hearts have a mind of their own.  
Even though part of you has stopped believing,  
You will always be my beautiful.

I guess i can't help but wonder if you're missing me.  
I don't wanna keep dreaming about all we could've  
been.  
I can still hear your voice but its fading away.  
I just can't believe that you're gone.

Oh no.  
And love doesn't listen to reason,  
And hearts have a mind of their own.  
Even though a part of you has stopped believing.  
You will always be my beautiful.

Why do some kingdoms come crashing down,  
without a warning, no.  
Like a wave, ruining everything, oh.  
I thought we were strong enough, strong enough,  
to even get knocked down.  
But somehow, we fall without a sound.

And love doesn't listen to reason,  
And hearts have a mind of their own.  
Even though a part of you has stopped believing.  
You will always be  
You will always be  
You will always be my beautiful.
