You make me fall down,  
Break down,  
Head under water, I can't breath  
Without you here, without you here

You take me backwards,  
far a way's making it crazy,  
I can't live without your love  
without your love

Oh didn't see this coming,  
I didn't see this coming away  
Another moment away,  
another moment without you  
Oh without you,  
Without your love

Oh didn't see this coming,  
I didn't see this coming away  
Another moment away,  
another moment without you  
Oh without you,  
Without your love

I wasn't prepared to fold ears  
Hearth full you I just cant believe  
How deep I feel

And how you consume me

Oh didn't see this coming,  
I didn't see this coming away  
Another moment away,  
another moment without you  
Oh without you,  
Without your love

Oh didn't see this coming,  
I didn't see this coming away  
Another moment away,  
another moment without you

Oh without you,  
Without your love

I have found, all in 'kay  
All mater, Think to hide  
I am expose, you can't see,  
everything on me

Oh didn't see this coming,  
I didn't see this coming away  
Another moment away,  
another moment without you  
Oh without you,  
Without your love
