(Hear my song)

Naken under manelyset  
forte jeg min fot ut i dans  
Oyne sorte som av kull  
Fulgte mine steg fra skogens rand

Hor min sang over salten hav - fra evig tid  
Over fjell og gjennom dyp skog - inn i drom  
Jeg kan se deg sove na - min kj're  
Alle vinder gi meg liv og hor min sang

Stille strekker seg hender  
ut av mørket og stryker ved mitt har  
"Kom barn, la oss ga lenger inn i skogen  
Legg ditt hode ned, sa skal du se ham igjen for dagen  
gryr"

Hor min sang over salten hav - fra evig tid  
Over fjell og gjennom dyp skog - inn i drom  
Jeg kan se deg sove na - min kj're  
Alle vinder gi meg liv og hor min sang

Jeg vil hviske ditt navn  
Jeg vil leve uten savn  
Jeg vil fylles av liv i all tid

(ENGLISH)  
Naked under the moonlight

I guided my foot into dance  
Eyes black as of coal  
Followed my steps from the forest's edge

Hear my song across salty seas - from infinite time  
Over mountains and through deep woods - into dreams  
I can see you sleep now - my dear  
All winds, give me life and hear my song

Silently hands stretch themselves  
out of darkness and caress my hair  
"Come child, let us go further into the woods

Rest your head, and you shall see him again ere break  
of day"

Hear my song across salty seas - from infinite time  
Over mountains and through deep woods - into dreams  
I can see you sleep now - my dear  
All winds, give me life and hear my song

I want to whisper your name  
I want to live without want  
I want to be filled with life forever
