Hei, vil du ta min hand  
sa kan du bli med  
til mitt annerledessted

Av et hav i stormens makt  
ble jeg skylt inn mot land  
en gang pa alle fargenes strand

Se meg inn i oynene  
Kan du like det du ser?  
Vil du se mer?

Hei du, na favnes vi inn - i mitt spindelsinn  
Her kan vi falle til ro - i mitt spindelsinn

Jeg fulgte vindens sang  
Her var toner som floy  
som farger ut av skogens toy

Jeg vil ta deg med inn hit  
Sa du kan se hvem jeg er  
og om du vil bli v'rende her

Se meg inn i oynene  
Kan du like det du ser?  
Vil du se mer?

Hei du, na favnes vi inn - i mitt spindelsinn  
Her kan vi falle til ro - i mitt spindelsinn

Og nar du ser lanterner lyse vei  
Som en bro ut av hav og land  
Kan du like det du ser?  
Vil du se mer?

Hei du, na favnes vi inn i mitt spindelsinn  
Her kan vi falle til ro - i mitt spindelsinn

(ENGLISH)

Hey, will you take my hand  
and come along

to my unique place3

By a sea under the storm's control  
was I washed ashore  
once on the Beach of All Colours

Look me in the eyes  
Might you like what you see?  
Would you like to see more?

Hey you, we're being embraced - in my mind web  
Here we can come to rest - in my mind web

I followed the wind's song  
There were tones flying  
as colours out of the forest's cloth

I want to bring you along in here  
So you can see who I am  
and whether you want to remain here.

Look me in the eyes  
Might you like what you see?  
Would you like to see more?

Hey you, we're being embraced - in my mind web  
Here we can come to rest - in my mind web

And when you see lanterns marking your path  
As a bridge over sea and land  
Might you like what you see?  
Would you like to see more?

Hey you, we're being embraced in my mind web  
Here we can come to rest - in my mind web
