What I look like rollin round with a bum? Na... Na 4real though. What you think people gonna say about me? WHAT! they don't know about me? Lemme tell em.

Me they call me K A Y.
If you don't know you betta ask somebody!
But I can't believe you don't already know...
I'm straight out of high school Lebronn to the pro's...
SO I aint trynna mess with ya. You do not have nothin to,
Better me or better anything in my surroundings.
I aint trynna mess with ya, go head with that mess because...
NOT that hard to tell that YOU are broke as hell...
I'm NEXT! (get behind I'm next in the line) x8

I been puttin in too much sweat
To be rollin with someone in debt.
If you really aint doin nothing big...
Then I aint trynna have you rollin in my crew ya dig?
That's WHY I aint trynna mess with ya. You do not have nothin to,
Better me or better anything in my surroundings.
I aint trynna mess with ya, go head with that mess because...
NOT that hard to tell that YOU are broke as hell...
I'm NEXT! (get behind I'm next in the line) x8

Yah, you really lookin more faker than Ru Paul's wig!
And you really aint got much to do but to sit on a couch w/ a cig!
Scratchin ya balls, sittin there wonderin why you can't be like me!
Not my fault... ask the big man above why he made me so hungry!
(If you broke as hell, I aint trynna mess witcha) x4

I'm next, it's my turn to shine.
I been waiting for this for a long time!
I dun gone too far, aint gon live off my star...
I been workin too hard for them to TAKE IT FROM ME!
That's WHY I aint trynna mess with ya. You do not have

nothin to,
Better me or better anything in my surroundings.
I aint trynna mess with ya, go head with that mess
because...
NOT that hard to tell that YOU are broke as hell and
I'm NEXT! (get behind I'm next in the line) x8
