I bet you like this beat!

(Chorus)

You... You! You got it, you got it! (x2)

(1st Verse)

Mama always told me haters ain't gon always be such a very horrible thing.

In they blood to hate (hate), if they hate, hating that means that your doing something. (That means that your doing something)

Disecting my game like ref is their name, like stripes on their birthday suit!

Man forget that, haters done! If you only got one find a way to get 22.

(Bridge)

And you can do it, you just got to come to it, come to it! Your the only person that's stopping you from doing it, from doing it!

Cuz Mr. you can do it too, if you really want to Do! (x4)

(Chorus)

You... You! You got it, you got it! (x4)

(2nd Verse)

They be talking that smack. Keep on talking, that's wack! Whispering like I'm deaf.

Mouths running like Chris Brown. They ain't nothing but clowns, more rumors than bunnies to Hef.

Just keep on doing you, doing what you do, hustling 'till the top.

Dust your shoulders off (shoulders off), Swagg tight (swagg tight). Keep on walking with that hop.

(Bridge)

And you can do it, you just got to come to it, come to it! Your the only person that's stopping you from doing it, from doing it!

Cuz Mr. You can do it too, if you really want to Do! (x4)

(Chorus)

You... You! You got it, you got it! (x4)

(3rd verse)

You can do it right, just put in a fight! Not that long till  
you see!

You can do it right, just put in a fight! You'll have  
everything you need!

If you really want to Do, then your gonna have to move!  
(x4)

(Bridge)

And you can do it, you just got to come to it, come to it!  
Your the only person that's stopping you from doing it,  
from doing it!

Cuz Mr. You can do it too, if you really want to Do! (x4)

(Chorus)

You... You! You got it, you got it! (x4)
