I, m crying inside, but filled up with pride
I won't let them see, no tears in my eyes
I'm mad at the world it can be so unfair
The judgment, the jealousy, still I'm not scared
I'm focused, determined, I'm ready to win
The critics I see, won't doubt me again
Darkness is gone, I'm ready to shine
Right now it's victory time

[Chorus]

They can't bring me down, no
Test me, I know they will try
Buy the won't bring me down, no
I know what I'm made of inside
They can't bring me down, no
It ain't over until the last round
Will the bring me down?, no
If I stumble I won't hit the ground
They can't bring me down

(No me a Derribaran)

My heart beating hard, my adrenaline's high
I'm raging like fire, I aim at the sky
Cuz I know what I want, I'll rewrite the rules
I know my value, I'm God's precious jewel
I've given my heart, to the dream that I chose
It's time to turn back, I simple refuse
I'm flying high, over the wall
Try and catch me, but I'll never fall

[Chrous]
