Theres so many people in need
Livin' in a world full of greed
So little right, so much wrong
So much they sayin bout this song

And they all goin(oh)
Theres a party over here(why)
Nobody seems to care(about)
All the suffering i see(all)
The worlds mystery makes me(cry)
For my generation(cry)
For every nation
The men in war(and tears in your mothers eyes)
Makes me wanna jus cry
For the hungry children(cry)
Send the medicine
With the riches in the world i jus dont understand why
And it makes me wanna just cry ohh why
i wanna just cry
i wanna just i wanna just(cry)

So many eyes have gone blind
So little on peoples minds
Povery in east and west
So much in difference

And everybodys singin(ohh)
Theres a party over here(why)
Nobody seems to care(about)
All the suffering i see(all)
The worlds mystery makes me(cry)

For my generation(cry)
For every nation
The men in war(and tears in your mothers eyes)
Makes me wanna jus cry
For the hungry children(cry)
Send the medicine
With the riches in the world i jus dont understand why
And it makes me wanna just cry

For all the diseases

Say a pretty please
For the families in New Orleans
The policies they make wanna just cry
When i read the news
I get so confused
Why cant they find a cure
For the genocide in darfur
It makes wanna jus cry

For my generation(cry)
For every nation
The men in war(and tears in your mothers eyes)
Makes me wanna jus cry
For the hungry children(cry)
Please send the medicine
With the riches in the world i jus dont understand why
And it makes me wanna just cry ohh why
i wanna just i wanna just(cry)x3
