### "For Now"

#### *[Verse 1]*

I see this singer looking back at me she looks unhappy  
cause things aren't what she thinks they need to be  
sometimes she wakes up in the night trying not to cry  
she often wonders when she watch him sleep why she  
still loves him though he ain't what she need she wants  
his affection a little love and attention but shes not  
ready to leave shes in-comfortably happy

#### *[Chorus]*

(For now) He may not no how to love her (For now)  
But she ain't going no where  
For now cause she is so in love it'll have to be enough  
for now

#### *[Verse 2]*

For now he so responsive(?) for every girls dream buys  
her anything ?? except for all the love she needs but  
shes not tryna take away the fact that hes so good he  
so good  
If you could buy hers diamonds roses coats and pearls  
can you buy what she really needs the one thing out of  
this world if she could have it her way she'll definitely  
say that you'll be all she needs for now

#### *[Chorus]*

(For now) He may not no how to love her (For now)  
But she ain't going no where  
For now cause she is so in love it'll have to be enough  
for now

#### *[Verse 3]*

For now [x15] give her what she needs don't be afraid  
to call on your baby  
give her what she wants in you for now (for now)

#### *[Chorus]*

(For now) He may not no how to love her (For now)  
But she ain't going no where  
For now cause she is so in love it'll have to be enough
