Ah  
Danja and the Clutch  
I miss you girl  
I miss you girl  
Imma make you my official girl

Verse 1:  
Listen, I ain't tryna hear it  
Listen up while I make it clear  
(You)Wasn't up on ya biz  
Let me tell what it aint what it is  
Can you handle it?  
Don't know what you take me for  
But your game was lame from the door  
Matta fact, don't react just relax  
Imma fall back

Chorus:  
Gettin so tired, tired, so tired  
I won't be your unofficial girl  
So quit tryin, tryin, stop tryin  
To make me your unofficial girl  
(You gotta learn to love me)  
You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I gotta be your official girl  
Said i gotta, gotta, gotta be your official girl  
I gotta be your official girl  
I gotta be your official girl  
Official Girl

Verse 2:  
If you keep this up  
It's bound to be a mess  
Cause I really ain't like the rest  
Put to the test, Imma surely pass (yeaaa)  
You better do the math  
I'm stylish  
So bossy  
It'd be a shame to say you lost me  
But if you want that, it's a wrap  
And I won't look back

(I won't look back)

Chorus:

Gettin so tired, tired, so tired

I won't be your unofficial girl (unofficial girl)

So quit tryin, tryin, stop tryin (yeaaeee)

To make me your unofficial girl (your..unofficial girl)

(You gotta learn to love me)

You gotta love me in the light and the dark (ooooooo)

You gotta give me, give me all of your heart
