I know That You've Been Calling Me,
And I'm happy that we met.
Don't think that I'm not interested.
I'm just playing hard to get

[Bridge:]

So much about this crazy game they call love
That I'm trying to understand,
So could you be my best friend,
Before you call yourself my man

[Hook:]

Why can't I love you in slow motion,
Take my time,
Take away the pressure on my mind
Really get to know you
But rewind
Wanna love you in slow motion
Why can't I?

[Verse 2:]

You seem to know just what you want
And I like your confidence
Some things a girl should never rush
Cause If you do you hurt yourself

[Bridge:]

So much about this crazy game they call love

I'm still trying to understand,
So would you be my best friend,
Before you call yourself my man

[Hook:]

Why can't I love you in slow motion,
Take my time,
Take away the pressure on my mind
Really get to know you
But rewind
Wanna love you in slow motion
Why can't I

[Breakdown:]

I'm too young for tears in the night
And it's too soon for this to be right
Don't wanna mess with your pride
The questions not when but why

[Hook:]

Why can't I love you in slow motion,
Take my time,
Take away the pressure on my mind
Really get to know you
But rewind
I Wanna love you in slow motion
Why can't... I
