when i say its over then its really over(im not coming
back its just to much of that)but still i froze up from
your cold shoulder and aint no way to heat it up im still
so down

(hook) remeber what i said i could sware i told ya. this
is what will happen (oooo) well maby im sykick cuz you
showed me by the way you acked boy i see your
bizzack.

(chours) guess who's bizzack knocking at my door to
me he changed his mind. i guess you had a sudden
callaps sorry baby boy but i aint got no time. guess
who's bizzack blowing up my phone about four or five
times a nigh. i guess you had i sudden callaps sorry
baby boy but you aint worth my time.
you wouldn't listen i learned my lesson.
