Oh, oh, so lonely, brokenhearted, night's not over, I can start again

I'm all lonely, brokenhearted, it's a hurting and to get over

I'm young but I'm wise enough to know that you don't fall in love over night

That's what I thought if I took my time that everything you love will be right home

But as soon as I close my eyes, I was saying to love goodbye

Cause I'm so lonely, brokenhearted, night's not over I can start again

I'm all lonely, brokenhearted, it's a hurting and to get over

No more empty conversations, next time I will be totally sure

Don't want the pain to fully in and out of love

It's more that my poor heart should endure

So I listen to all advice and remember each time I cry

Cause I'm lonely, lonely, brokenhearted, night's not over, I can start again

Lonely, brokenhearted, it's a hurting and to get over

So I listen to all advice remember each time I cry

Cause I'm lonely, brokenhearted, night's not over, I can start again

Never thought I'd be alone again that's why I asked you to be my best friend

Afraid you know you're always on my mind, think about you all the time

Never thought I'd be alone again that's why I asked you to be my best friend

Afraid you know you're always on my mind, think about you all the time

Lonely, brokenhearted, it's a hurting and to get over, I can't believe it

Girl you're leaving me, oh

Lonely have nothing left, but it's over.
