Boy where you going?  
cuz boy I'd be more than happy  
to accompany ya (yeah)  
so put that gear in reverse (yeah yeah yeah yeah yeah)  
now back it up (back it up)  
before you hit the clutch (hit the clutch)  
I need to buckle up  
i got a mean (mean) having fun  
causing a scene  
?some of yall are ready engine?  
you got me (yeah yeah yeah yeah yeah)

(hook)  
The speed of light ain't got nothin,  
nothin on, us baby , put the pedal to the floor

(chorus)  
my heart beat racing with the buck on the dash  
the music glaring with my hair in the wind (hair in the  
wind)  
we riding with no destination  
we cruising got the buck on the dash (buck on the  
dash)  
a buck on the dash (buck on the dash)

I get excited when we push it to the limit  
my mind is free, everytime I'm with you (yeah yeah  
yeah yeah yeah)  
with my favourite song( favourite song),  
oh wont you turn it up (turn it up), yeah just a little more  
no need to worry where the time goes (no need to  
worry where the time goes)  
we having fun with the top back (yeah yeah yeah yeah  
yeah yeah)  
ohh boy you know your my side kick

(hook)  
The speed of light ain't got nothin,  
nothin on, us baby , put the pedal to the floor

(chorus)

my heart beat racing with the buck on the dash  
the music glaring with my hair in the wind  
we riding with no destination  
we cruising got the buck on the dash (a buck on the  
dash)  
a buck on the dash X2

Start your engine ready, set, go yeah  
I'm buckled out so here we go  
but be caution with the road  
it about to be a wild ride

(chorus)  
my heart beat racing with the buck on the dash (oohh)  
the music glaring with my hair in the wind (wind)  
we riding with no destination (yeah)  
we cruising got the buck on the dash (buck on the  
dash)  
a buck on the dash (buck on the dash) X2

(talking)  
my heart beat racing with the buck on the dash  
the music glaring with my hair in the wind  
we riding with no destination  
we cruising got the buck on the dash (a buck on the  
dash)  
a buck on the dash X2
