(1ST Verse) I don't like the way you look at her she looks at you it's frustrating oh,  
People say when we were together it looks more like you to are dating... more than you and me.

(hook)I tell you somethings you do make me uncomfortable. you tell me i'm tripping and i should let it go, so i wonder to myself would you still think it's all good if the shoe was on the other foot i don't think you would no.

(Chrous)2x what if your friends started paying more attention to me... could you handle it, tell me could you handle it boy,

(2nd verse) What if i told you tony said i was pretty  
(what would you say)  
And when you're not around he goes out of his way to come and chill with me.
