Now we've been talking
For a while
And you got me
Trying to figure out
Boy I don't know
What to say to you
But you got me feeling
Some kind of way for you

And all I know
Is when we're together
No one can make me feel
The way you do baby
I wish each moment
Could last forever
It's hard to explain
The way I feel for you
I just
Can't find the words

You got me losing myself
In what I'm trying to say
And it's so hard
To fight it
Can't help
But feeling this way
And every time
That I'm near you
It's like
My heart gets weak
Feels like
I'm losing my breath
Making it hard to speak

I just can't find the words (4X)

Now I know
I come of kinda shy
But it's hard to say
What's on my mind
The chemistry
We have it hard to find

But to find the right words
It's going to take sometime

And all I know
Is when we're together
No one can make me feel
The way you do baby
I wish each moment
Could last forever
It's hard to explain
The way I feel for you
I just can't find the words

You got me losing myself
In what I'm trying to say
And it's so hard to fight
It can't help
But feeling this way
And every time
That I'm near you
It's like
My heart gets weak
Feels like
I'm losing my breath
Making it hard to speak

I just can't find the words (4X)

You got me
Tripping over words
You got me stuttering
And like a bad dream
I'm calling out
But you don't hear me speak
And constantly
I find myself
In this predicament
So let me show (show you)
Baby (baby)
Cause actions
Speaks louder than words

Oh ah oh ah ohhhh
Ohhh oh ah oh ah
(One time)
Oh ah oh ah ohhhh ohhh
Oh ah oh ah (two times)
Oh ah oh ah ohhhh ohhh
Oh ah oh ah
Tthree times, Karina)

You got me losing myself
In what I'm trying to say
And it's so hard to fight
It can't help
But feeling this way
And every time
That I'm near you
It's like
My heart gets weak
Feels like
I'm losing my breath
Making it hard to speak

I just can't find the words (8X)
