[Verse 1:]

I'm thinking it was said and done  
And now I gotta break it down  
I thought that you plus me would equal more than one  
I guess you really never learned your math  
Cause you said it best you're, 'Mr I Keep It Real'  
When it's 'bout us you never tell me how you really feel  
That's how you handle things; you got a lot to learn  
Keep playing dirty games don't you know you're 'bout  
to lose your turn

[Chorus:]

(Ooooh, I think I'm done, I think I'm done with you)  
I, can't, even recognise you anymore  
Don't wanna think about it, don't wanna talk about it  
Fool, that's what you take me for but you  
Can't even notice you're the reason we keep getting  
nowhere  
(We getting nowhere, we getting nowhere, we getting,  
we getting, we getting no- no-no-no, we  
Getting nowhere, we getting nowhere, we getting, we  
getting, we getting no- no-no-no-nooo

[Verse 2:]

Now that I think about it, you wasn't worth no time  
You think you're shining on them, you must be just as  
blind  
Heard it a thousand times, a thousand times won't  
change my mind  
All these lame excuses, keep tryina find, wanna play,  
somebody press rewind  
So you can watch it over, look at who you really playing  
Keep messing with me boy, but you don't really know  
what you missing  
Til you miss me

[Chorus:]

(Ooooh, I think I'm done, I think I'm done with you)  
Yeahh, I think I'm done, I think I'm done  
Can't recognise you anymore  
Don't wanna think about it, don't wanna talk about it

ohhh  
Fool, that's what you take me for but you  
Can't even notice you're the reason we keep getting  
nowhere  
(We getting nowhere, we getting nowhere, we getting,  
we getting, we getting no- no-no-no, we  
Getting nowhere, we getting nowhere, we getting, we  
getting, we getting no- no-no-no-nooooo  
Ahhh yeah  
Oooo yeah,  
Ohhh ohhhh  
Ahhhh ooooohh

Oohhh fool, that's what you take me for but you  
Can't even notice you're the reason we keep getting  
nowhere  
(We getting nowhere, we getting nowhere, we getting,  
we getting, we getting no- no-no-no, we  
Getting nowhere, we getting nowhere, we getting, we  
getting, we getting no- no-no-no-nooooo)
