[1st Verse]

They say the greatest love stories always start like this
I can't believe that I'm living this
Cuz' I remember
That day in September
When you moved a block down

Sometimes I wonder how different we will be
When we're much older
You and me
I think this could be the greatest memory I know
That's why I'm saying no

[Chorus]

They try to tell me I'm way to young
Saying that they'll be more to come
But I don't really care about that [I don't care no]
Cuz' they'll never be my first love
I know it sound crazy
But I'm telling you right noe
I see how it's going down
You're shaping up to be
I know you're gonna be
You're gonna be my first love [ooohh]

[2nd Verse]

Let me take a minute to explain
Gotta make this clear
Don't know the future but I know what I feel
When it comes time for me to tell my daughter
I'm gonna talk about you baby

They say these feelings are only for adults
They'll try to pass it off as puppy love
But how old is old enough
For me to know how I feel
And I think this is real
So I'm singing no

[Chorus]

[Bridge]
[Ooohhh]
Ooohhh
[Ooohhh]
Ooohhh woahhh woahhh
Ooohhh woah
I'm telling you I see it
You gotta believe it[you're gonna be my first love]
[Ooohhh]
Ooohhh ooohhh
Yeah ooohhh
You're shaping up to be
Boy I know you're gonna be
Your gonna be my first love
That's why I'm singing no

[Chorus]
