(Chorus)

In my hood, boy meets girl, girl falls in love with a thug,
in my hood, thug gets caught now his dream is locked
up, take a look in my hood single mother raising kids
on they own what a shame, daddy still out there stuck
in the game and I cant point the finger cuz I don't know
who to blame, but I want to make a change of mind.

(Verse)

I bet you didn't know I, I come from the rainiest skies,
but where I'm from i feel the powers have died (who
the fuck is that has no gun but say I'm goint stay in
fight)
see the future through my eyes even though there's
gritty in the ghetto paradise I know that drey is
listening pac is listening, put up your lighter if there's
somebody that your missing in the hood

(Chorus)

In my hood, boy meets girl, girl falls in love with a thug,
in my hood, thug gets caught now his dream is locked
up, take a look in my hood single mother raising kids
on they own what a shame, daddy still out there stuck
in the game and I cant point the finger cuz i don't know
who to blame, but i want to make a change of mind.

(Verse)

now til you know what its like, when you cant even sleep
a night, hear my homies speaking Spanish outside
(speaking Spanish) sounds of the ambulance,
here the sounds of the fire trucks, sounds of the police
sirens, all bodies spraying

(Chorus)

In my hood, boy meets girl, girl falls in love with a thug,
in my hood, thug gets caught now his dream is locked
up, take a look in my hood single mother raising kids
on they own what a shame, daddy still out there stuck
in the game and i cant point the finger cuz i don't know
who to blame, but i want to make a change of mind.

(Verse)

I'm lonely in this good heat where its cold, all my
people dying one by one now this is wrong, i recall
when i was younger hide and seek we use play , now its
such a shame as if those memories away, i could feel it
in my fingers, i could feel it in my soul, but i don't want
to leave it , i don't want to let it go, so i pick up on the
beat and I'm a play some classical, hip hop, and R&B,
and now the hood about to go.

(Chorus).

In my hood, boy meets girl, girl falls in love with a thug,
in my hood, thug gets caught now his dream is locked
up, take a look in my hood single mother raising kids
on they own what a shame, daddy still out there stuck
in the game and i cant point the finger cuz i don't know
who to blame, but i want to make a change of mind.
