[Verse 1]

Baby can we talk just a little,  
Can we do the things we used to do just a little,  
Maybe the problem is we're doing too little,  
You ain't on your a game,  
You should love me more than a little,  
I shouldn't have to ask you honey take me out would ya  
,  
How quickly things are spinning down hill,  
Seem like yesterday we were in sync.

[Chorus]

Boy I'm lost, come find me so we won't be apart  
Don't wanna have to do this alone  
How can we get it back  
Cuz it seems like yesterday we were in sync.  
[repeat]

[Verse 2]

Yeah, yeah, comfortable baby when no one feel like  
We're in two different worlds on two separate roads,  
Leading on a path to nowhere,  
I think the fire's burnt out,  
Cause you don't put it down on me no more,  
This was good relationship 80's 20's baby,  
And it seems like yesterday we were in sync.

[Chorus]

Boy I'm lost, come find me so we won't be apart  
Don't wanna have to do this alone  
How can we get it back  
Cuz it seems like yesterday we were in sync.  
[repeat]

[Bridge]

And I'm not that kind of girl  
I can't admit to fail to learn,  
Though this promise went down the drain,  
But I can't let it go that easily,  
(?)  
And don't forget to remember boy

We were so in sync.

[Chorus]

Boy I'm lost, come find me so we won't be apart

Don't wanna have to do this alone

How can we get it back

Cuz it seems like yesterday we were in sync.

[repeat]
