I love the way you are, ...rock everything  
...you are  
Star, always at a ... but always in the break of heart to  
knew before  
that's the only thing you are missing  
You got that now and now and I'm finished  
And that's what got me my attention  
Like a superhero changed out of a booth  
Except I know when to

I never thought you make so perfect  
I wonder how you broke this so ...  
Baby don't change a thing cause I'm feeling this right  
Never ever thought you'd ...  
I tell you could be the one, alright  
I'm loving this ...and you because  
Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Let me head down to your ...  
Love looks good on you

You seem about to ...somehow now you have the ball,  
you do, you do  
Now, everybody knows, I'm this ... chosen you by ...  
I'm the only thing you were missing  
You got me know and I'm finished  
And that's what got me my attention  
Like a superhero changed out of a booth  
Except I know when to

I never thought you make so perfect  
I wonder how you broke this so ...  
Baby don't change a thing cause I'm feeling this right  
Never ever thought you'd ...  
I tell you could be the one, alright

I'm loving this ...and you because

Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Love looks good on you, la la la la la

Let me head down to your ...  
Love looks good on you

I wear your love you're wearing mine  
I figured it out, you're the perfect bit of my life  
I see you and ... like  
Somehow you became my favorite thing to wear  
You're with me when you're not here  
Baby can you tell me please  
This love look good on me  
Cause love looks good, love looks good on you

Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Let me head down to your ...  
Love looks good on you  
Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Love looks good on you, la la la la la  
Let me head down to your ...  
Love looks good on you  
On you, on you  
Love looks good on you  
On you, on you  
Love looks good on you  
On you, on you  
On you, on you  
Love looks good on you  
On you, on you  
On you, on you  
Love looks good on you  
On you, on you  
On you, on you.
