Beats beats

Keep the ground round ... now

Start to break your ...

We'll cross the bridge we will get here

I'm just get to you boy

So far so good keep it right there

Don't mess it all we're right here

....

Take it or leave it

If you try to give me

Then let's take it slow

Let's take it slow

So take it or leave it

That's no need to scream it

Don't want here ...baby

Take it or leave it

Take it or leave it

Take it or leave it

Let's take it slow boy...

True love will remain even if we throw this away

....

Cause when it's real it will stay

....

Everything

....Too much for me

So far so good keep it right there

Don't mess it all we're right here

....

Take it or leave it

If you try to give me

Then let's take it slow

Let's take it slow

So take it or leave it

That's no need to scream it

Don't want here ...baby

Take it or leave it

Take it or leave it

Let's take it slow

I'm here cause i wanna be

....

Don;t push away
I like where we are
So take it or leave it
Let's take it slow
So take it or leave it
Take it or leave it
Take it or leave it
Let's take it slow
