Verse 1:

I guess the stars were alined when we met up.
'Cuz baby I, I see the stars in your eyes anytime we touch.
Sometimes I just wanna go run away and hide,
But everytime I do,
You always find a away to come and change my mind.
You're my hero.

Chorus:

I feel like a winner,
When you're beside me
There ain't a thing that I can't be
I feel like a winner,
You're there to guide me
like the wind beneath my wings
I feel like a winner,
Everytime I planned on giving it up you grabbed my
hand and looked inside of me to make me feel like a
winner
Feel like a winner.

(harmonize)

Verse 2:

There were others,
That I loved in the past
Now I know it didn't last
'Cuz we were distant from one another.

And I don't even have to ask if you got my back,
'Cuz I know the answer to that.
You got me covered,
Anybody else is just a memory from long ago.
And I found love with you here by my side
You're my hero baby!

Chorus (w/ ad libs)

Break:

When I'm w/ u I feel like I can do anything.

I feel like I can fly a plane,
Race a train,
Travel through the galaxies and make the stars spell
out ur name!
Feel like I can climb the highest mountain and reach up
into the sky boy w/ u here I can do anything!
I would give it all up just to feel your touch you're the
only one I need.
It's like you've got me starstruck babyboy I'm part of
you're the other part of me!!!
I feel like!!!

Chorus (w/ad libs)x2
