Verse 1

Take... a look around me I wanted you to stay (ay-ay-ay)
Pain... Right at the bottom can't recognize my face
(face-face-face)
Faith... thought we would last
You closed the book and turned the pages (pages-
pages-pages)
Ssstay... I don't know why It's got to be this way (Way-
way-way)
Do you know... that I'm hurting?

Bridge

All I ever really needed was some space
I needed some room to breath
Break from this bad energy
I made a mistake and I know I messed up
Girl I know you got my text message so just call

Chorus

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)
So girl just come back to me
Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)
You'd think I'm over you know girl you're the baddest
Even though I'm in love you had to change my status
Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)
So girl just come back to me

Verse 2

Take... every thing I own don't want it anymore(more-
more-more)
Pain... can't even rest you got me sleeping me on the
floor(floor-floor-floor)
Faith... we were the ones we did it all for the ages
(ages-ages-ages)
Ssstay... I don't know why it's got to be this way(way-
way-way)
Do you know that I...

Chorus

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

You'd think I'm over you know girl you're the baddest

Even though I'm in love you had to change my status

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

(Yes... yeah Sway bring the U.K up with this)

Rap

Listen... It ain't true not all men are dogs

But women think that shit to their menopause

I ain't a playa I swear on my paws;

I wish we could rewind the time and pause

Word up Carla I love dem clothes

I'm a London boy with a love that talks

I'm crushed like I'm on the floor

When she's headed for the door

And I am headed for the floor

And you don't tell me you

Don't wanna wear them clothes

(Coz I'm hurting...)

Chorus

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

You'd think I'm over you know girl you're the baddest

Even though I'm in love you had to change my status

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me

Cause I'm hurting(hurting) I'm hurting(hurting) I'm
hurting(hurting)

So girl just come back to me
