(Yeah)

We goin' international with this one

Kaz Money, Rime and the one and only Karl Wolf

Yalla Habibi

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin'

Miss the kissin'

And miss the way you touch me

Why don't we enjoy the beauty of life?

Yalla Baby

[Karl Wolf]

Lately, seems like I haven't had the time to enjoy life
with you girl

But maybe I should take break from the limelight so we
can get away

At least for a few days or a few weeks (yeah)

It would be amazing to treat ourselves just a little bit
girl

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin'

Miss the kissin'

And miss the way you touch me

Why don't we enjoy the beauty of life?
Yalla Baby

[Rime]
Baby it's funny how you say this
Cause I was thinking the same thing
And honey we used to be like Bonnie and Clyde
But now we barely make time for each other
Let's take a trip together
Go somewhere just you and I
Cause baby it's been a while

We can go
Far away
To a sunny place
Yalla Habibi
We can fly
To a place and hide
So we can spend time
Yalla Habibi

I miss the cuddlin'
Miss the kissin'
And miss the way you touch me
Why don't we enjoy the beauty of life?
Yalla Baby

[Kaz Money]
Race to the top
We livin' life in the fast lane
Fast trips ya salam is in fast games
Top of the world looking down work hard
Stick with me girl you gotta be a brave heart
Distracted by flashing lights like Kanye
Somehow you keep me in the zone like Alazay
Either way you deserve it oh you're a queen like
Nefertiti
So

Yalla Habibi
We can go
Far away
To a sunny place
Yalla Habibi
We can fly
To a place and hide
So we can spend time
Yalla Habibi

I miss the cuddlin'
Miss the kissin'

And miss the way you touch me
Why don't we enjoy the beauty of life?
Yalla Baby

We can go
Far away
To a sunny place
Yalla Habibi
We can fly
To a place and hide
So we can spend time
Yalla Habibi

I miss the cuddlin'
Miss the kissin'
And miss the way you touch me
Why don't we enjoy the beauty of life?
Yalla Baby

Where else in the world would you wanna be but right
here with us right now
Kaz Money, Rime and the one and only Karl Wolf
